

The group!

So, because I wanna do an ask with the fankids I have made I wanna introduce you all to some, and I'm happy with the drawing so it's also cool 🐾

Meet these sillies, I'm gonna give everyone's names, I hope you can guess who each kid belong to but in case not, I'll write it in
Let's begin ☐

Ping pong ball- tennisball and golfballs child
She/her
(Ping for short)

Plus- 4x child
They/them

Carrot cake- loser and cakes child
He/him
(CC for short)

Melted coin- firey and coinys child
He/him
(MC for short)

Sprinkles- fries and puffballs child
She/her

Maple- firey and leafys child
He/him

Blackberry pie- black hole and pies child
They/them
(BP for short)

Thereeee you have it folks
You are free to ask these lil rascals anything, and more will be added later on, so I'm prepared to add some plot onto this haha! Enjoy!
Please ask them anything- 🐾

Pings first compliment!

Cj13d5

(this isn't a question, just a compliment) I love your glasses Ping!

1 day ago [Reply](#)

Ping: very glad SOMEONE thinks these glasses are nice

Everyone!

322361e

Y'all pretty

1 day ago [Reply](#)

Everyone: we appreciate it!

Maple and mc!

QT_VelvetRose

Maple and MC, you know that you guys share a parent, right?

QT_VelvetRose

So does that mean you guys are half siblings if you did know?

It's Pretty
Cool

Oh we
know

We are Practically
best friends! And Great
brothers

Mc: yeah and it's been great!
Maple: minus all the chaos
Mc: Aw Cmon you love chaos!
Maple: pfttt no I don't!

Art while you wait for the next part

So my iPad is having some issues, which causes the app I draw on to close randomly. I think it's okay now but it's been like that for a bit. As of right now I've got sketches for the next parts done. So hopefully I'll finish those up soon. I did finish an art piece before the app started randomly closing

Look at these sillinesses ☐

Btw the one next to melted coin is bubble blower, bubble and fannys kid (they aren't actually frenemies, but mc uses that term because the two fight a bit. And since melted coins parents are firey and coiny he uses that term to describe their relationship, even with the fighting tho they care for each other)

Here's bubble blowers quick sketch

She/her

Ping pong ball: EXCUSE ME?? THAT WAS SO UNCALLED FOR!

Explaining the group 1/2

AcolourfulFlounder

THEY'RE ALL SO CUTE!!!!!! what's the general relations between everyone??? do any of them not get along?

1w ago [Reply](#)

Our friend
Group gets along
well, we are all
respectful of each other

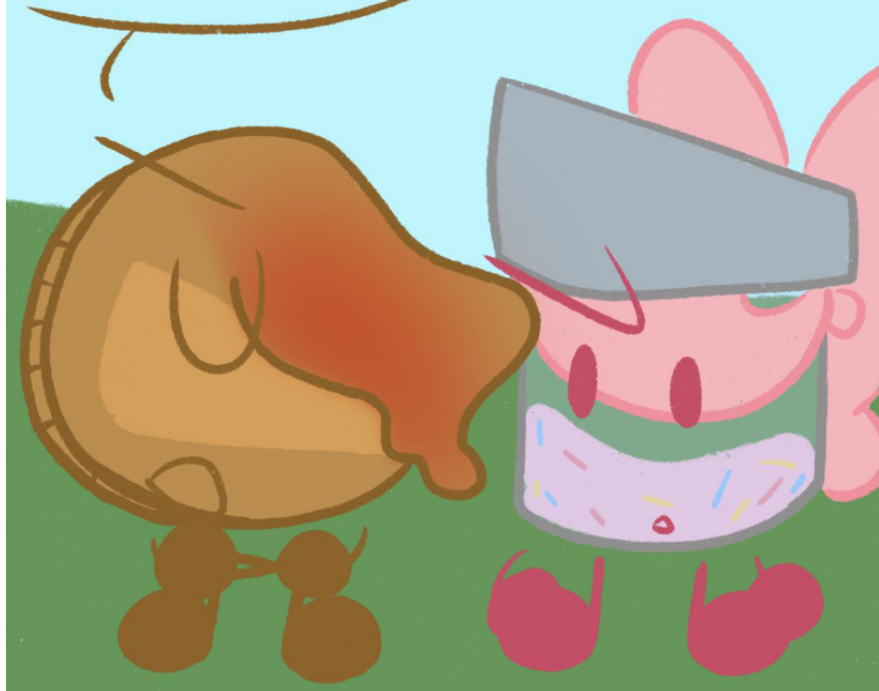

but others outside
the group is a
different story...

Not this
again...

like how I get in
fights with bubble blower...
Shes the worst-

nope/ i-have
no idea what you're
talkin about! -

Melted coin: you said you wouldn't tell anyone! I can't believe you!
Sprinkles: it's not my fault! You were about to lie and say you hate her!

Explaining the group 2/2

We all get along in
the group! And when we
ALL don't hang out we
we split in small groups.

Gitternate buds

half siblings

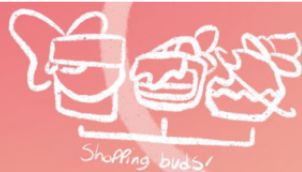

chaos 4/0

best friends

We switch too so
we get the chance to
hang out with everyone

however like melted coin
mentiance, outside the group
is different...

there are more...

Issues...

I also happen to know
a lot about everyone. like for
example, who they like.

Plus: I'm here to cause some interesting things, and if you wanna ask about anyone who isn't a part of my friend group your free to ask me so I'm able to give them a proper introduction! Have fun everyone~

Pings answering!

QT_VelvetRose

Hey Ping, what is it like with TB and GB as your mom and dad?

-

star_luva

Ask

Ping who's your favorite parent?, Who's the more strict one?

Ping: my parents are the best!

(Side note: imma release two more parts and the artstyle changed bc i made assets for everyone and i changed the brush I used, just an fyi)

Crush?!

Caramel_random_Choco

Caramel_random_Choco

(this goes to all of them)

322361e

@Caramel_random_Choco I WANNA

Mc: thanks for calling me out...I thought we were friends...

Sprinkles: hey! Your too much of a coward to admit you have one!

Mc: okay miss "I have a crush but I won't say who"

Sprinkles: hey!

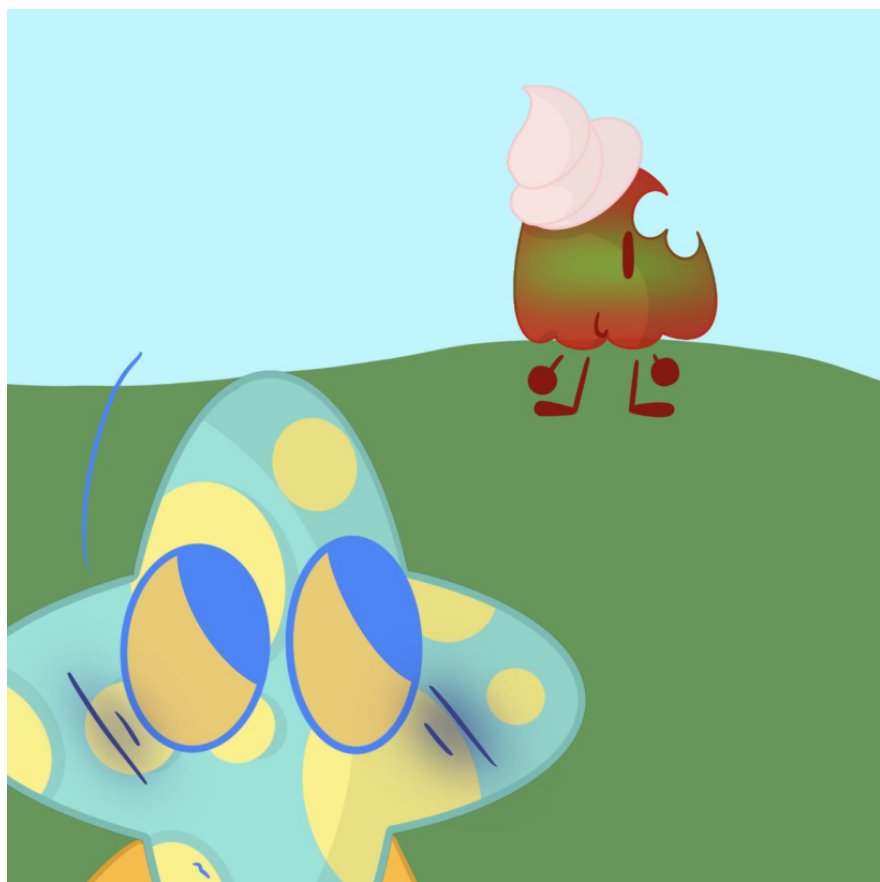

Ping: now your asking about crushes?! Who gave you this idea?!

I have... a little
Crush.

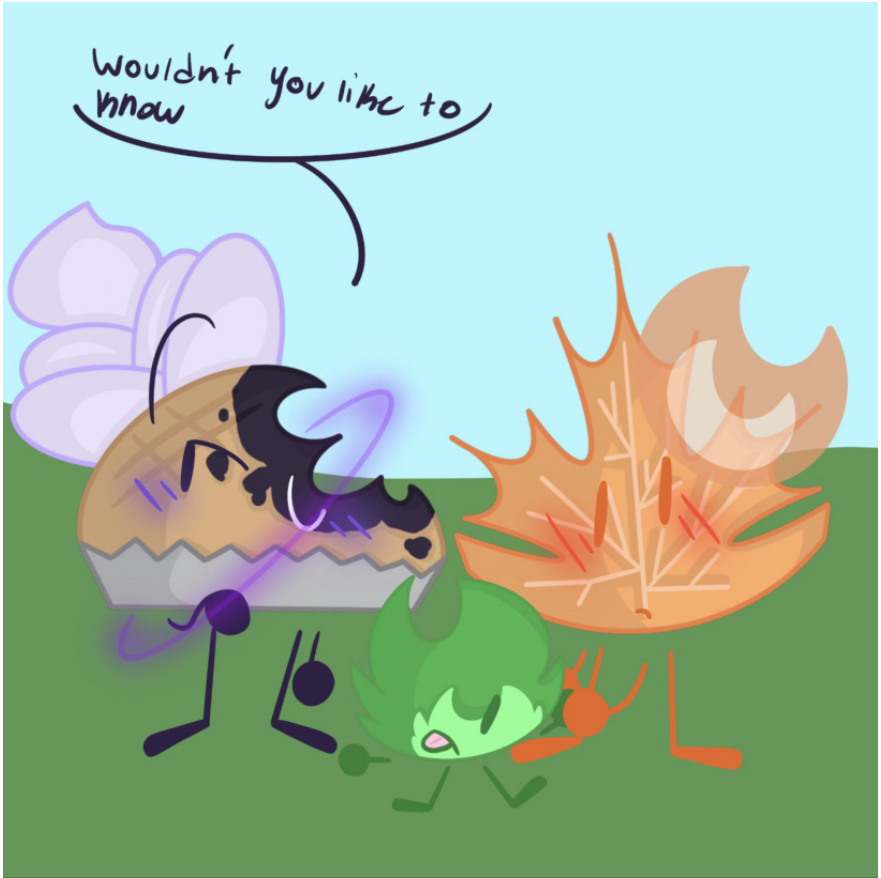

Cc: maybe it could work out if I talked to maple about it.

Plus: is he even aware I'm near him?... (¯^¯)

Maple: so...d-does that mean yes or no?-

Bp: why do you wanna know?!-

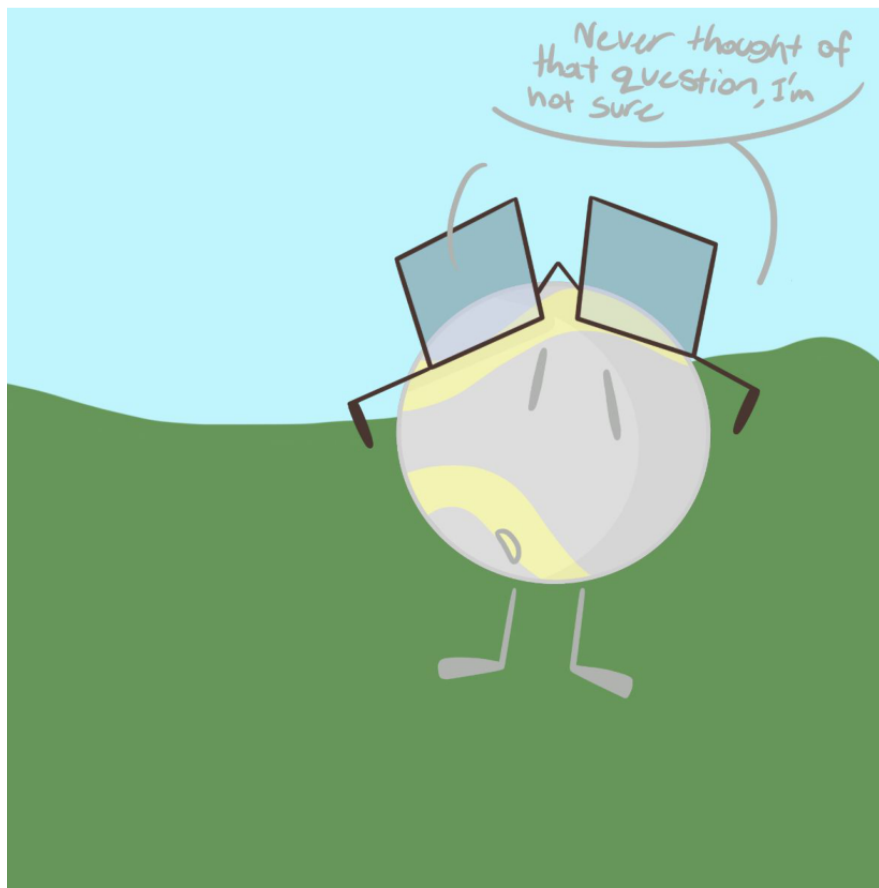

(I know this doesn't exactly say who everyone likes, plus is in charge of that if the next post regarding it doesn't have everyone say it)

More for ping

Caramel_random_Choco

Ping pong do you have a favorite book if so which one?

QT_VelvetRose

Hmmm, hey would you guys like to meet a kid like you guys too? if so i would like to say she doesn't have a name that's based off her object

also here are some asks:

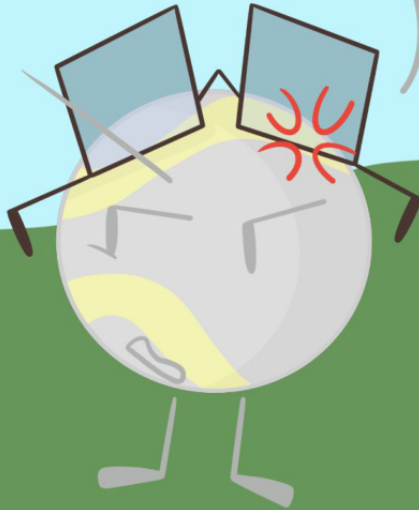

Ping - Do you wish you had another Sibling?

Also who is your favorite friend?

All - What's your favorite food? Also do you guys know cuss words? (Hope the parents dont kill me- ;-;)

(Side note: I'll be answering the other two later on)

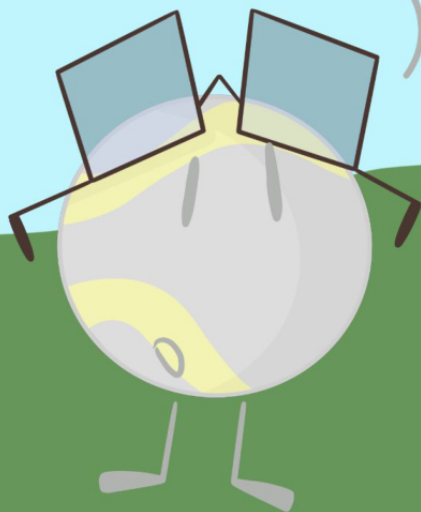

I don't need to wish...
I have a brother..

He may be annoying
but I still love him

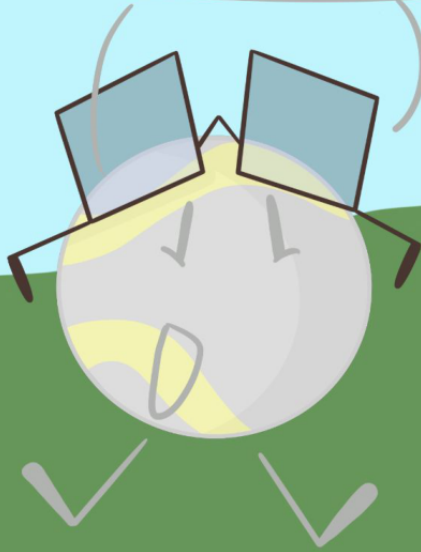

Favorite friend...
that's hard...

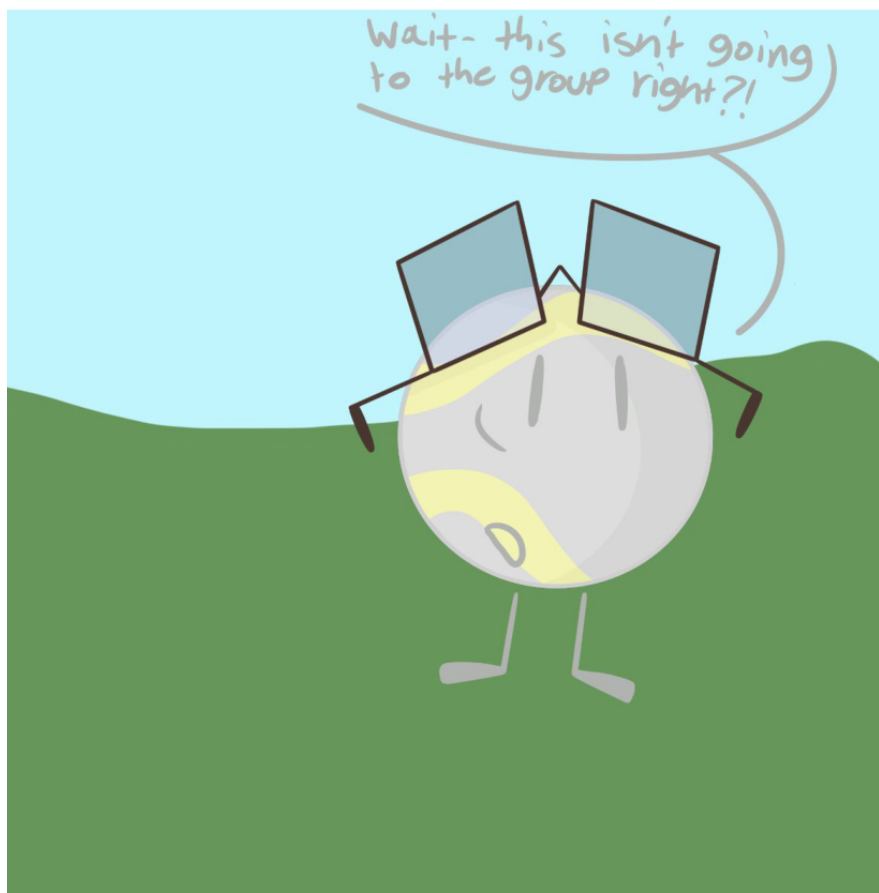

everyone in the group is amazing. They have all shown me nothing but kindness, so it's hard to choose between them

Parents

Happi_Sunny

Okay gonna ask here for the first time/j

how are youre parents doing? I hope they are doing alright!

I got lazy with this one mainly because I don't have assets for any of the parents
(Also a little of a side note this is suppose to go before the sibling answers part so I'm switching order)

Sibling answers

Maple: BP I SWEAR- IM TRYING TO HELP MY BROTHER HERE!
STOP IT!

A lot

(I LIED I WANTED TO ANSWER THIS ONE! I LAUGHED READING THIS COMMENT LMAO)

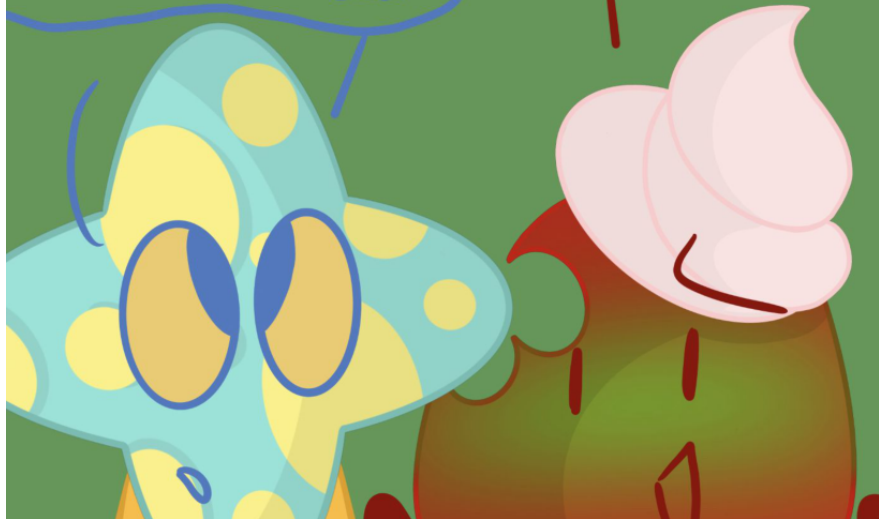

CrystalTheBfdiFan

Geeze how many people did Firey have kids with?!

Golfball used a lot of the Parents for testing out her machine. So that anyone who wanted to have a kid but couldn't have one could use that instead

I'm actually just a small experiment -

Sg: in other words, my dad had a lot of relationships in the past and tried to make them work

Plus: that gave golfball an excuse to test out her machine to keep it to perfection

Sg: so whenever the relationship didn't work out, and golfball revealed to my dad about any kid he would freak out, but now it's fine since he hasn't had another partner ever since he got back

together with leafy! Geez dude you really got your facts! Pretty smart!

Plus: ha! I try!

Them again??

CrystalTheBfdiFan

Are you hiding something SB?

star_luva

haiiiii lol is sb okay 😄😄

CrystalTheBfdiFan

Why ya blushin then?

star_luva

NO WAYYYY, YOU BETTER CONFESS

CrystalTheBfdiFan

Does Pot have any siblings? (I can't spell XD)

Pot: hm, maybe ping knows, I should go see her again.

epictoastdrinker

ping and sb,

1. how smart are the both of you, considering how your parents may be the smartest contestants in bfdi?

Im the smart
one, I have a lot
of my moms genes

and im also
the smart one,
just have my dads
traits

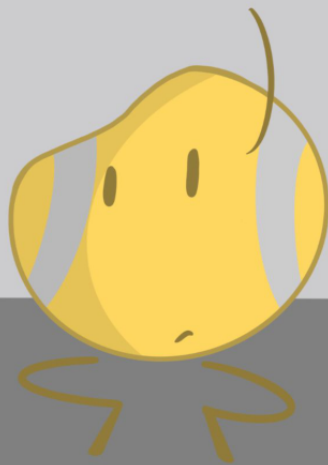

2. sb, why did your parents give you a name that has the same initials as your mothers enemy, snowball?

ArchanyArchyArchy

PP- i mean ping, who gave you the pair of glasses? i want them

Sorry but you
can't have these,
I need them for when
I read

Ping: and stop calling me that ridiculous name!

Sb: what were we even in time out for to begin with?

Nice and simple!

CrystalTheBfdiFan

Which out of all this kids is the most chaotic duo?

Bp: yeahhh, we are pretty chaotic...

Maple: too much...

Bp: aw cmon it's not that bad!

Maple: blackberry pie...last time you two hung out you GLUED MC TO THE WALL!

Dislikes

C4llMeAshe

who is the person you dislike the most? (not a specific question just do whoever u want to answer)

Mc: but there's always the ones that do our friends wrong-
Sprinkles: they just need to learn to do better!

Mc: whatever you say

Sprinkles: glad you didn't say bubble blower since your sooo in love with he-

Mc: OH SHUT UP-

Ping: HES SO INFURIATING! UGHH JUST THINKING ABOUT HIM MAKES ME MAD!

Sb: it sucks that WE have to deal with him, I mean, mom and dad dealt with snowball! And now we have to deal with thunderstorm?!

Cc: I mean, there are people who have problems with others, but it shouldn't be to the point where anyone dislikes the other...

Plus: thunderstorm just seems to push pingongs and stressballs buttons, so it sucks seeing them upset from him

I can think
of someone...

not this
again...

Maple: b-bp calm down! It's not a big deal!

Bp: of course YOU would say that! Give yourself some respect at least! Know that she's treating you badly!

Maple: c-cmon she's not!-

Bp: yes she is! Stepsister or not it's not right!

Maple: let's just calm down! There's no need to fight!

A drawing topic

Justthere4bfb

Do u like to dra

...

Plus: you only say that cuz your not good at it-

Sg: hey! You don't know that!

Plus: pfft! Are you kidding? I've seen your doodles! They suck!

Sg: oh zip it! Haha!

Ping: I mean, I've been told I'm good at it, and I do it when I have to
Sb: it's just hard for me since, you know, no arms-

Cc: it's really fun! Sometimes even maple and I have drawing contests and fun drawing challenges!

Mc: I will admit tho...sometimes I come across maples doodles

Sprinkles: I hope it's not through snooping around-

Mc: it's not! But some of his drawings, there are little freaky? I don't know...hey wait...

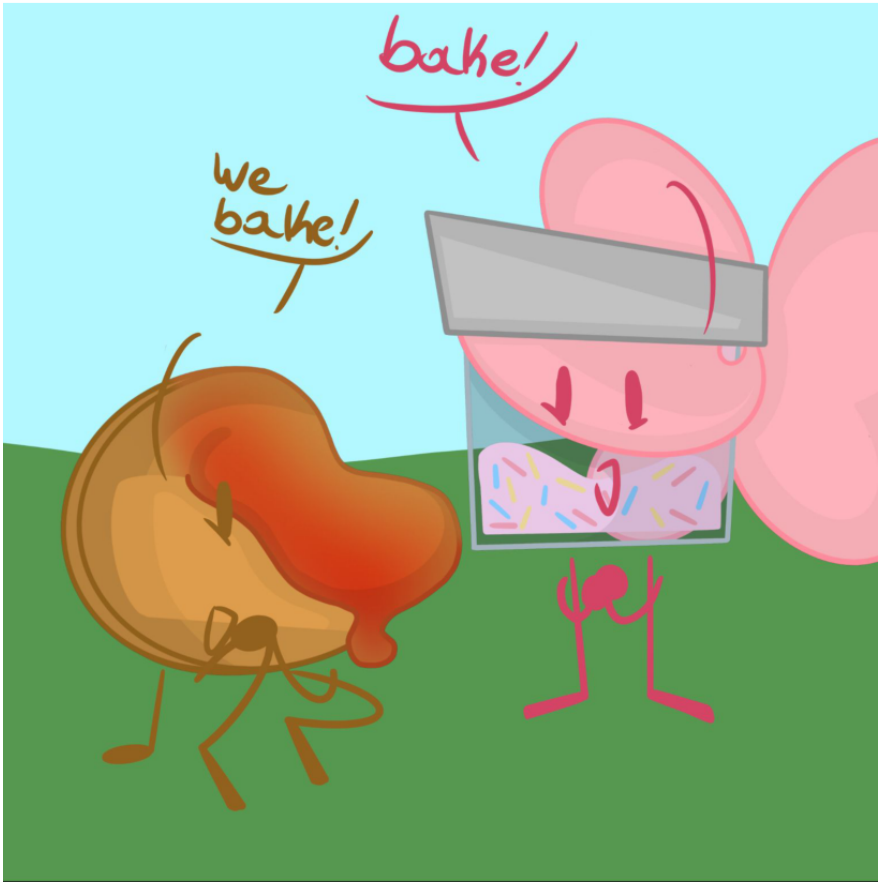

Mc: hm, the two seem to be hanging out a lot lately
Sprinkles: makes sense

Free time

yeeooowwwch

This goes to all of them, what do yall do on ur
freetime :3

Sprinkles: it's really fun! We bake together!

Mc: or sometimes have a little competition! And then sprinkles insists in making some treats for everyone too so we give them to who we know as well

Ping: you simp

Sb: oh hush! You're the one who likes pot!

Ping: NO I DONT-

Cc: I just like being around others, most of my activities during my free time are whatever my friends want to do, but I never mind, I know I can suggest anything to do too so it's fun

Plus: you go with anything anyone does

Sg: I mean yeah, I am letting you practice your magic on me aren't I?

Plus: fair point

hanging out with
this dork...

Bp: of course you do, I am pretty great after all
Maple: yeah you are...

CrystalTheBfdiFan

Blackberry Pie, are you able to suck things up like your dad?

Maple: I think it's really cool

Question for 4 and X what is plus like with you,we don't see them often

I mean, plus is a
good kid

They are pretty responsible most of the time, and very well behaved.

There's the occasional fighting with them, but overall there's no issues.

They get along with their sister
very well too.

Overall their a good kid.

They do have a bit of trouble
when using their powers, a late bloomer.

Sometimes they are unable to
control when an ability
happens.

actions like that happens in tense
situations. Their magic has been acting
up lately but... nothing bad is happening.

X: you sure there's nothing going on? It's not like them to have their powers acting up, it's a little worrying
4: If there was we would know, right?

Guessing pt 1

CrystalTheBfdiFan

Who's Spicy Candy?

CrystalTheBfdiFan

Best guess is Thumbtack is Coiny and Pin's child?

CrystalTheBfdiFan

Idk who Thunderstorm is but I would guess Snowball and Lightning's child?

CrystalTheBfdiFan

Oh is Metal Ivy Leafy's child with someone?

How to reply

C4llMeAshe

leafy and pin I believe

CrystalTheBfdiFan

Every time you mention another kid for the first time, I'ma try to guess their parents lol Is Menu Taco and Book's kid?

I don't think Plus can
answer this one right now.

yeah!

maybe we can then!

Alright! time for
us to answer

Yeah!

Spicy county is
taco and lolipops kid

Just... dont hang out
with her AND BP at
the same time if you
dont wanna get glued
to the wall...

Yep! thumbtack is
Pin and dad's (coinys) kid,
hes coolio

yeah! he also
helps us bake
sometimes, hes
the reason we got
into baking in
the first place!

If only thumbtack
could read tho... it would help
so we wouldn't have to read the
instructions for him...

lucky you that
hes been cooking with
Stressy instead huh, hes
doing the reading for him

Yep, thunderStorm is
lightning and snowballs
hid, Pretty cool

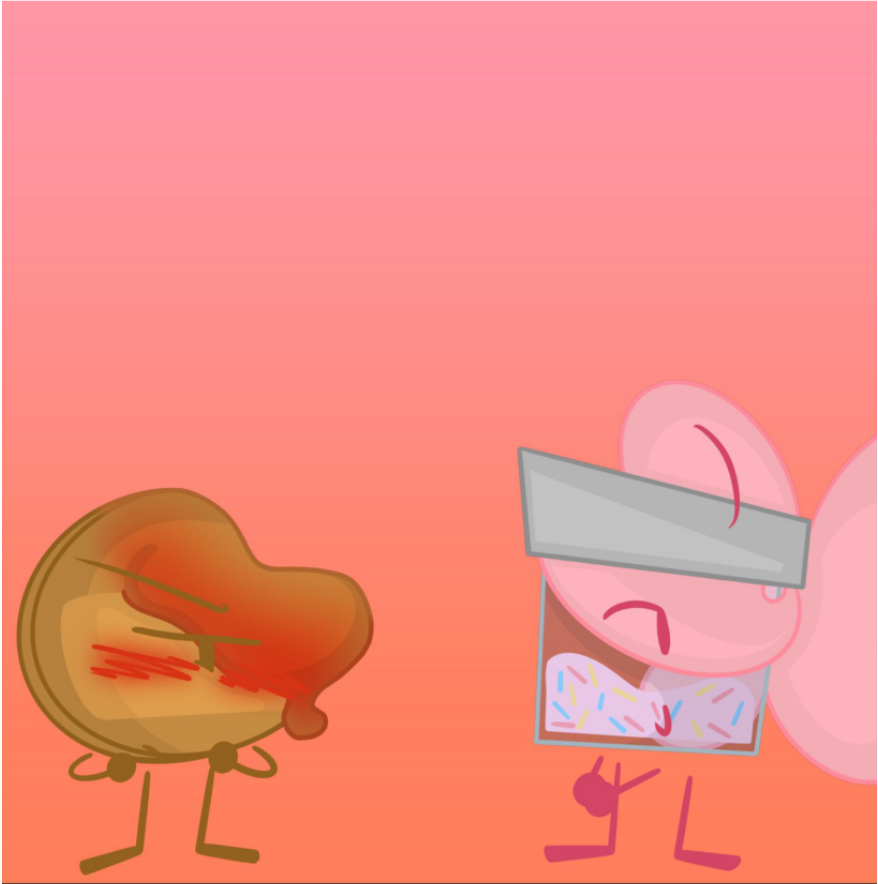

Yeah well it's not
cool when he's mean to
bubble blower.

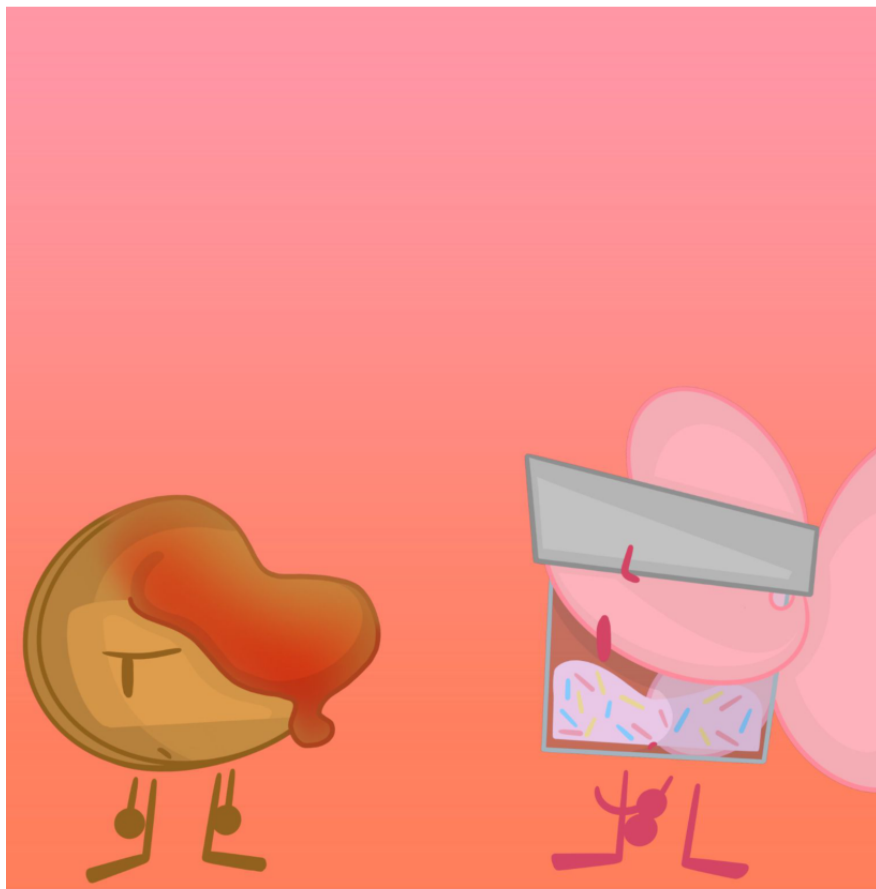

funny you bring her
up and not fang and
stressy who are also
his targets

Correcttt! Metal ivy is
leafy and Pins hid!

CrystalTheBfdiFan

Every time you mention another kid for the first time, I'ma try to guess their parents lol
Is Menu Taco and Book's kid?

would you look
at that

Guessing pt 2

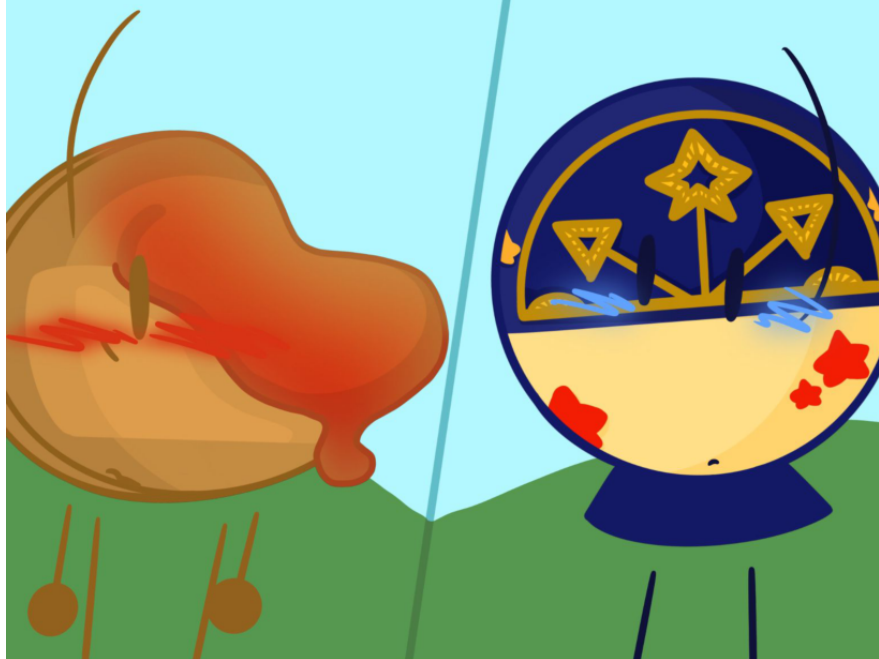

did you dye your hair again?
it's so pretty!

Mc: ...this might take a while...

These two again?

"Friendly" debates

CrystalTheBfdiFan

Hey SG are you aware that Plus was blushing when you said that?

Plus: I-It's a compliment after all!-
Sg: uh huh haha!

322361e

BP and maple(i think): you two ^{*are} a cute
together-

Maple: y-yep! Best friends!-

Bp: n-nothing more!-

Maple/bp: yep....

Split situations

C4llMeAshe

all of the kids that have split parents: who do you hangout/stay with most knowing that your parents aren't together?

O-oh, I hop from one parent
to another, but I'm usually with my
dad (firey) the most, to hang out
with maple (not that I don't like hanging
out with thumbtack or anything-)

sg also goes around from parent
to parent, tho he splits his time with
both of his

and metal Ivy...
well...

Shes with Pin, because
if she was with leafy
all the time...

Metal Ivy: long time no see

Cc: sure has been, sorry I haven't come to visit you more often...

Mc: it's getting harder seeing maple upset after a fight with metal ivy, and frustrating hearing dad (firey) and leafy fighting over it...

Uhhh, not answers, but silly old art

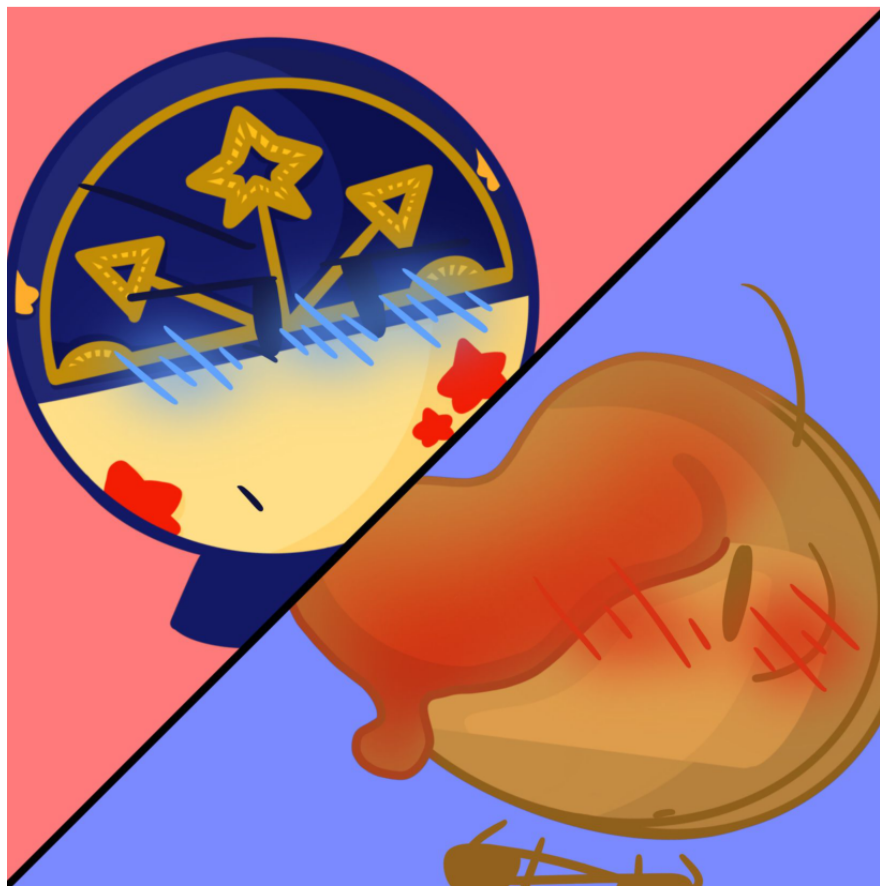

Okay so, I wanna say, I love working on this! It's really fun just working on the answers for these rascals, and it's been easy with their assets done and everything, so thank you for the support I've gotten! I wanna give some fun facts about the kids, or even scrapped ideas for them, tomorrow or a bit later, I've been posting a lot on here since yesterday lol, trust me it's been fun for me. Hope there's more to come

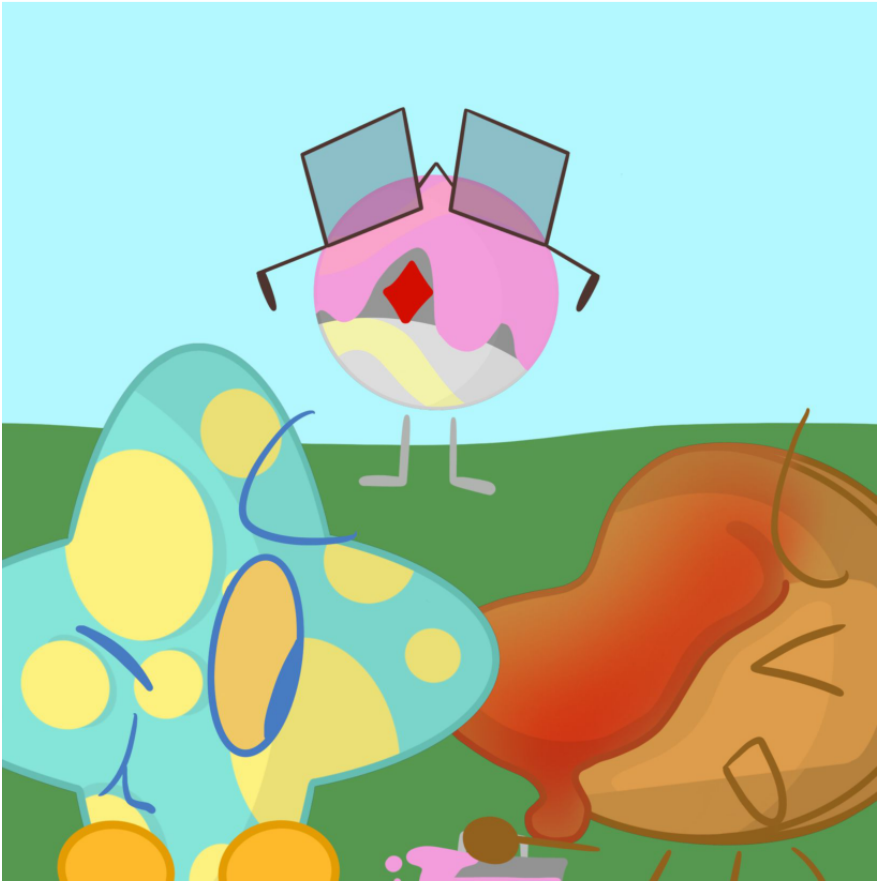

Now for the silly art! This art has already been seen by whoever follows my TikTok lol

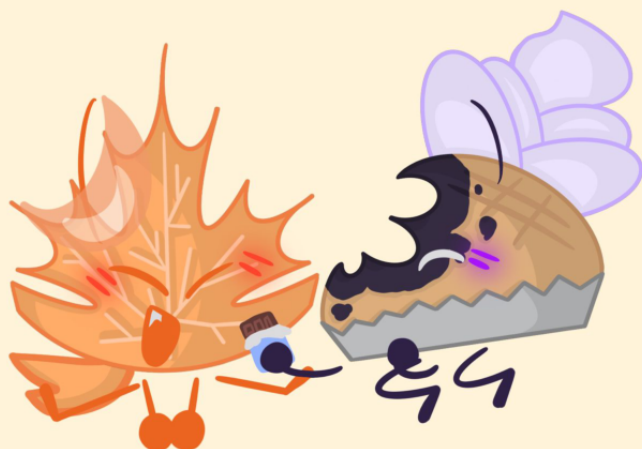

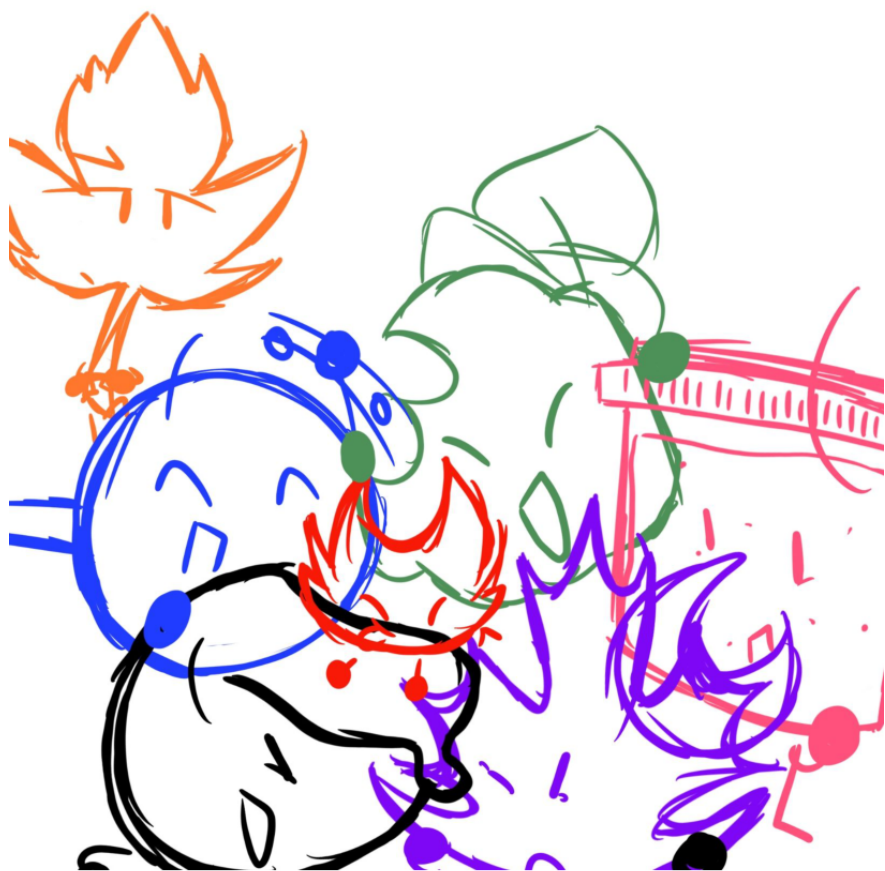

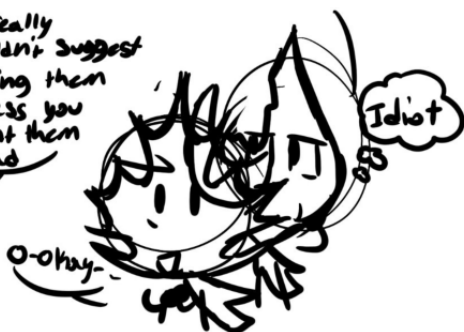

Okay actually these below are pretty recent and new so

Have fun with these silly out of context doodles, hope to do more parts for this byeeeeee!

Firey: because you're not doing anything to talk to MI that's why!

Leafy: I've tried everything I can okay?! But this is how she thinks!

Firey we can't keep arguing about this, you know how maple gets.

Firey: I know. It's just frustrating.

star_luva

THANK YOU! IM GLAD, IM TRYING OUT NEW THINGS FOR MORE AFFECTS ♡♡♡♡

FluffyGrassy

Hello there! Not a question for the kids, but for you! How long does it take for one panel?

They used to take like, an hour, but that's why I use assets now! So with the assets they usually take around 1-3 minutes, if backgrounds aren't made yet, or if I have to actually make a completely new panel, since I reuse panels I've made as to not have a change of where everyone stands every time I post of them! To make panels with plus takes a bit longer, since making their legs, arms, and eyes are different from everyone and I do theirs by scratch, so maybe 4-5 minutes if plus is in a panel.

Quick! Distract pingpong!

Update

Just here to show that I'm still alive, I have like a week left of school so I'll be able to work on the projects I have here, but it'll take me a little bit to get back to this book. I'm creating new assets for these guys, aside from that I should be back soon. Honestly feel free to give more questions while I'm away, be aware you're not limited to one, at some point I'll get to all of them. It could be any question, related to the lore or not related to the lore, random questions or really specific it's all fine by me, I'd love more questions :>

And if I missed one in the past, feel free to ask it again

And in case people don't know what to ask, would it help to give some fun facts on them? Or just nudge the pasts of these guys? I'm actually gonna do that with one of the questions I got haha ☐

In the meantime take these things I made months ago when I had access to meme templates

it's okay guys

**i'm driving them to
therapy rn**

**imagine being in an
elevator with them**

This wasn't from a meme template, I just have another fun idea I wanna do with them soon

I appreciate the patience, I've been giving small updates on my other books and haven't really touched on this one so I just wanted to bring this up, I'll see you guys soon
